

1 DAY SEMINAR : THE ART OF SCIENTIFIC WRITING

8 December 2013

Auditorium Jurutera

Faculty of Engineering, Universiti Putra Malaysia

Organized by

OUR FACILITATOR

Mohd Adzir Mahdi received the Bachelor degree with first class honors in Electrical, Electronics and Systems Engineering from the Universiti Kebangsaan Malaysia, Selangor, Malaysia in 1996. Later, he received the Master and Ph.D. degrees with distinctions in Optical Fiber Communications from the Universiti Malaya, Kuala Lumpur, Malaysia in 1999 and 2002, respectively.

In January 2003, he joined the Faculty of Engineering, Universiti Putra Malaysia, Selangor, Malaysia where he was an Associate Professor and is now a full Professor. He was appointed as the Deputy Director at the Research Management Center, UPM on July 1, 2006 for 4 years. Currently, he is serving as the Deputy Dean (Research and Post Graduate Studies), Faculty of Engineering, UPM since July 13, 2011. Prior to the current appointment, Adzir was an optical design engineer at IOA Corporation, Sunnyvale, USA and a research officer at Research and Development Division, Telekom Malaysia Berhad. He was a visiting researcher at Marconi SpA (Italy), Monash University (Australia), Chalmers University of Technology (Sweden), Hong Kong Polytechnic University, University of California, Davis (USA) and Georgia Institute of Technology (USA). Since 1996, he has been involved in photonics research specializing in optical amplifiers and lasers. He has authored and coauthored over 230 scientific papers in journals and 180 articles in conference proceedings. Currently, he has received citations over 1,470 times and his h-index is 20 based on the Scopus database. His research interest includes optical fiber amplifiers and lasers, optical fiber communications, optical sensors and nonlinear optics.

Adzir is a senior member of the Institute of Electrical and Electronics Engineers (IEEE), a member of the Optical Society of America, and the International Association of Engineers. He has been awarded with the IEEE LEOS Graduate-Student Fellowship, the Australia-Malaysia Institute Research Fellowship, the Leading Scientists and Engineers of OIC Member States (COMSTech), the COMSTech Young Scientist, the TWAS Young Affiliate Fellow, and the Anugerah Ahli Akademik Harapan (Anugerah Akademik Negara)

COURSE OVERVIEW

"1 Day Seminar : The Art of Scientific Writing" is a one course that will provide guidance on the effective way to publish technical & scientific research papers. The course is designed to assist students, engineers, and technical professionals improve the way they communicate their work in journal papers and conference publications. By attending this course, you will:

- (1) improve your capability in writing publishable manuscripts in first-class scientific journals;
- (2) learn the stylistic differences between strong writing and weak writing in research documents;
- (3) increase your knowledge and understanding of the processes of scholarly publishing.

WHO SHOULD ATTEND

- Postgraduate Students (*Engin. & Science*)
- Lecturers
- Engineers
- Scientist and Researchers

REGISTRATION FEE

Only RM150.00 / pax

Deadline : 29 November 2013
