- Publicity Chair**
Saleh Javadi

CALL FOR PARTICIPANT

The IEEE Malaysia Section and IEEE UiTM Student Branch are pleased to announce *2013 IEEE Malaysia Student Congress (IMSC 2013)* which will be held in Faculty of Electrical Engineering, Universiti Teknologi MARA, Shah Alam, Malaysia on 9 November 2013. The aim of this congress is to introduce the students to the world of IEEE and to boost student activities in the section by training and motivating the student branch members. The event will specially focus on interaction and collaboration among student branches to increase effective networking. During the course of the Congress, in addition to the traditional talks catering to the theme, there will be IEEE guest lectures from IEEE R10, networking activities and leadership exercises. The convention will provide a forum and an opportunity for our future leaders to share their ideas and will give a head start to their growth in technical and professional areas. We take immense pride in inviting you to be a part of this futuristic experience and gather lot of lessons to give back to your Organization, Community and the IEEE. We are really excited and look forward to seeing you here very soon.
