Statement

Mission Statement: To efficiently handle records for informed decision-making and deliver real values to members that keep the Section engaged and relevant in the long term.

Position Statement: I have been an active volunteer for IEEE Malaysia since 2014, serving several technical chapters and affinity groups in various positions, and recently as the treasurer of the Section. As a secretary, I will strive to continue the excellence of the Section's previous leaders. I will also work with the Malaysia Organizational Units to ensure smooth operations in full compliance.
