Example of activities

- Invite speakers on technical or professional subjects.
- Organize field trips to Industry.
- Mentor junior students.
- Raise funds for charity or Student Branch projects.
- Publish a Student Branch Newsletter on the web.
- Develop a Student Branch web site.
- Visit and organize joint activities with other Student Branches.

Issues

- No bank account
- No website
- Lack of communication/co-operation between student branches

Plan for 2014

- IEEE-Malaysia Section provide limited fund for student activities-
 - Annual RM250-RM500 will be distributed to each Student Branch
- Website for student Activities
- Final Year Project Exhibition at National Level
 - co-organize between IEEE & CREST (in June 2014)
- Student Congress – slightly different format (in October 2014)
- SCORED 2014- in Penang hosted by USM Student Branch

THE END
